

RHO-ANNE JOYCE M. COLLADO

colladorhoanne.27@gmail.com ❖ 09752340643 ❖ Poblacion, Barangay IV, Tanauan City, Batangas ❖ rakicollado.github.io

PROFESSIONAL SUMMARY

Motivated IT student pursuing a Diploma in Information Technology with a strong foundation in UI/UX Design, Networking, Database Management, and Data Analytics. Recognized for exceptional problem-solving skills and a commitment to continuous learning and collaboration.

PROJECTS

Network Topology Simulation

- Created a comprehensive network topology simulation to practice network design principles and enhance troubleshooting skills.
- Implemented devices and connections for a realistic representation of network environments using Cisco Packet Tracer.

Power BI Dashboard Project

- Developed an interactive Power BI dashboard to visualize complex datasets, aiding in data-driven decision-making processes.
- Utilized data analytics techniques to provide actionable insights through clear and engaging visualizations.

UI/UX Prototype Design

- Designed wireframes and prototypes using Figma to improve user experience for a conceptual application.
- Conducted user testing to gather feedback, iterating designs based on usability findings.

Static and Dynamic (Responsive) Web Development

- Engineered responsive websites utilizing HTML, CSS, Bootstrap, and JavaScript for enhanced user engagement across various devices.
- Integrated backend functionality using PHP and MySQL to support dynamic content and database operations.

EDUCATION

POLYTECHNIC UNIVERSITY OF THE PHILIPPINES – STO. TOMAS BATANGAS	2024-Present
--	---------------------

Diploma in Information Technology

TANAUAN CITY INTEGRATED HIGH SCHOOL	2018-2024
--	------------------

High School Diploma

TANAUAN NORTH CENTRAL SCHOOL	2011-2018
-------------------------------------	------------------

Completing Primary Education

ADDITIONAL INFORMATION

- **Technical Skills:** UI/UX Design; Web Development; Networking; Database Management; Data Analytics; System Administration, Network Administration; Basic PC Hardware and Software Troubleshooting; Basic Windows Server and Active Directory Management; HTML; CSS; JavaScript; PHP; MySQL; Figma; Canva; Power BI; GitHub; Cisco Packet Tracer;
- **Core Competencies:** Strong communication skills, teamwork and collaboration, adaptability, problem-solving, time management, attention to detail, creativity, responsibility, and willingness to learn.
- **Certifications:** Wonders of UI/UX Design; Where Creativity Meets Functionality; Network Support and Security
- **Awards:** President's Lister (1st Year, 1st Semester); President's Lister (1st Year, 2nd Semester); President's Lister (2nd Year, 1st Semester)
